### **TECHNICAL**

#### ARTISTS ON STAGE

**4 musicians**

- 1 lead vocal and guitarist
- 1 cellist
- 1 bassist
- 1 drummer

#### SOUND ENGINEER

We won't come with our sound engineer, so we need one from the venue.

#### PARKING

Two parking spots have to be available near the backstage area for the entire artists time presence at the event. And at least 1 spot near the stage has to be available for the unloading and the loading of instruments and materials for the performance.

#### BACKLINE

If possible, a drumkit and a guitar amp type Fender Blues Junior or similar. Shared backline with other bands can also be an option. Please get in touch with us for any backline questions.

#### MERCHANDISING

During and after the concert, a convenient place and stand will be provided by the organizer to sell CD's and band merchandizing stuff.
